

PALLET WALKIE SAFETY

LEGAL REQUIREMENTS

Section 25(2)(a),(d) and (h) and Regulation 851 of the Occupational Health and Safety Act include the requirements for training and certification of powered lift truck operators.

Training must meet the CSA Standard B335-15

Employers are required to ensure that workers have received instruction, training and testing in the operation of powered lift trucks. Workers must be familiar with the operating procedures of the truck that they will be operating and able to demonstrate competency in accordance with the Ministry of Labour's "Guideline for The Safe Operation and Maintenance of Powered Lift Trucks."

COURSE LENGTH:	2 hours, plus Driving Evaluations
COURSE INCLUDES:	Training Manuals, Wall Certificate, Wallet cards, Records of Training, Attendance Report, tests/Driving Evaluations
LOCATION:	Training sessions are available onsite at your facility, publically across Ontario, or our state of the art training facility. If your facility does not have access to a boardroom, IST has a mobile classroom called the Safety Bus. Please contact our office for more detailed information about training formats and date availability.
PRICE:	Minimum 10 Participants—\$99.00 per person 11-20 Participants—\$89.00 per person 21+ Participants—\$80.00 per person *plus HST
