

TRAIN THE TRAINER CRANE

Our Train the Trainer programs provide participants with the knowledge, skills, and tools to effectively train operators and evaluate their competence. Our programs are written to applicable industry standards and Ontario regulations.

Occupational Health and Safety Act Section 25 (2),(a),(c),(d),(h)

Ontario Regulation 851 Section 45, 51,53-59

Ontario Regulation 67 Section 76-79

CSA B-167-08 Indoor Overhead Cranes

COURSE LENGTH: 3 days

COURSE INCLUDES: Each participant will receive a training workbook with all required forms and templates, and an electronic copy of all forms and templates.

LOCATION: Training sessions are available onsite at your facility, publically across Ontario, or our state of the art training facility. If your facility does not have access to a board room, IST has a mobile class room called the Safety Bus. Please contact our office for more detailed information about training formats and date availability.

PRICE: Maximum 4 Participants—\$3600.00 Flat Rate
Additional over 4 Participants—300.00 Per Person + Flat Rate
*Plus HST

Train the Trainer Crane Prerequisite

Participants must be competent in the operation of a Crane and slinging operations. Participants must have experience, and some form of Safety Training, preferably within the last three years.
