

# CONFINED SPACE RESCUE & S.C.B.A (Self Contained Breathing Apparatus)

In addition to general Confined Space training, an employer must ensure that a sufficient number of workers have received the following training:

- on-site rescue procedures
- use of rescue equipment

Confined Space  
Awareness Training is a  
Pre-requisite

**COURSE LENGTH:** 4 hours of theory plus a mock rescue

**COURSE INCLUDES:** Training Manuals, Wall Certificate, Records of Training, Attendance Report, Tests

**LOCATION:** Location: Training sessions are available on site at your facility, publically across Ontario or our state of the art training facility. If your facility does not have access to a boardroom, IST has a mobile classroom called the Safety Bus. Please contact our office for more detailed information about training formats and date availability.

**PRICE:** \$1000.00 per session  
Maximum Group Size: 12
