

JOINT HEALTH & SAFETY COMMITTEE CERTIFICATION TRAINING PART TWO FOR FOOD SERVICE

LEGAL REQUIREMENTS

Once JHSC Members have successfully completed Basic Certification Training—Part One, they are required to fulfill the requirements of Part Two for the industry that the workplace is in. Part Two is hazard specific to the workplace. Both parts one and two are required under the Occupational Health and Safety Act section 9, for a JHSC member to be certified.

COURSE LENGTH: 2 Days

COURSE INCLUDES: Training Manuals, Wall Certificate, Records of Training, Attendance Report, and Application Exercises

LOCATION: Training sessions are available onsite at your facility, publically across Ontario, or our state of the art training facility. If your facility does not have access to a boardroom, IST has a mobile classroom called the Safety Bus. Please contact our office for more detailed information about training formats and date availability.

PRICE: \$325.00 per person *plus HST
Minimum 6 participants for private onsite

HAZARD MODULES

Based on the results of your Hazard Assessment, you will need to take additional training on the identified hazards within your workplace. The following modules may apply to your workplace:

- | | | |
|------------------------------------------------------------------|---------------------------------------------------------------|-----------------------------------------------------|
| <input checked="" type="checkbox"/> Manual Material Handling/RSI | <input checked="" type="checkbox"/> Violence in the Workplace | <input checked="" type="checkbox"/> Kitchen Hazards |
| <input checked="" type="checkbox"/> Slips & Trips | <input checked="" type="checkbox"/> Chemical Hazards | <input checked="" type="checkbox"/> Machine Hazards |
