

# JOINT HEALTH AND SAFETY COMMITTEE REFRESHER TRAINING

## LEGAL REQUIREMENTS

Section 9 of the Occupational Health and Safety Act states that all workplaces in Ontario, employing more than 20 workers must have a Joint Health and Safety Committee.

Under the Ministry of Labour Training Standard, in order to maintain certification, a MOL approved Refresher Training program must be completed three years after receiving the original certification.

<b>COURSE LENGTH:</b>	1 day (8 hours)
<b>COURSE INCLUDES:</b>	Training Manuals, Wall Certificate, Copy of the Occupational Health and Safety Act, Records of Training, Attendance Record.
<b>LOCATION:</b>	Training sessions are available onsite at your facility, publically across Ontario, or our state of the art training facility. Please contact our office for more detailed information about training formats and date availability.
<b>PRICE:</b>	\$225.00 per person *plus HST Minimum 6 participants for private onsite

## COURSE CONTENT

Review Key concepts from Level 1 & Level 2 training

- Review the roles, duties, and responsibilities of workplace parties
- Review the rights, duties, and functions of the JHSC
- Review concepts of the hazard recognition, assessment, and control, and evaluation of the hazard controls and a Hazard Management Tool

Describe changes or updates to relevant legislation, standards, codes of practice and occupational health and safety best practices

- Describe new advances in occupational health and safety best practices, if any, in the last three years.
- Describe hazards that have emerged in the committee member's workplace in the last three years.

Provide opportunity for learners to share JHSC best practices and to discuss JHSC challenges and potential resolutions

- Share challenges based on the committee member's experience as a JHSC member
- Share best practice based on the committee member's experience as a JHSC member
- Brainstorm approaches to resolve challenges
