

<b>Posted Until:</b>	November 30, 2021
<b>Company Name:</b>	Industrial Safety Trainers Inc.
<b>Job Title:</b>	Occupational Health & Safety Trainer
<b>Job Location:</b>	Barrie, Ontario
<b>Terms of Employment:</b>	Full Time

## Job Summary:

IST has an exciting opportunity newly available for a full-time Occupational Health & Safety Trainer, to join our rapidly growing team. The successful proponent will work out of our Barrie, Ontario Head Office but will also be required to travel throughout Ontario.

This role is responsible for course delivery, testing and practical evaluations, along with other associated tasks. The selected candidate will receive on-the-job training and mentoring along with ongoing support from the Training Manager, and will become a part of a growing, forward-thinking company of like-minded OHS Professionals.

The candidate should have experience in Occupational Health and Safety training, be safety conscious and comfortable working autonomously.

---

## Responsibilities:

- As our brand ambassador, ensure quality and consistency in the delivery of our training programs
- Engage the client in a variety of ways to foster the creation and growth of their own safety programs which in turn encourages employees to improve their own safety culture
- Provide ongoing technical safety advice, guidance and coaching where necessary
- Foster continuous improvement of existing training programs as well as the development of new training and practices
- Timely, and accurate, completion and submission of all required documentation related to training delivery
- Other duties as needed

---

## Qualifications:

- Fully certified JHSC member is preferred
- Experience operating equipment including, but not limited to: forklifts, cranes, EWP's, other heavy equipment
- Experience in manufacturing and/or construction environment preferred
- Excellent communication and interpersonal skills
- Advanced presentation and written skills
- Ability to assess situations and problem solve for most effective resolution for all parties involved
- Exposure to adult learning principles an asset
- Excellent computer skills using Microsoft Office applications and minor troubleshooting
- Valid driver's license with a clean abstract

*Industrial Safety Trainers Inc. thanks all candidates in advance; however, only those being considered for the opportunity will be contacted.*
