

**Job Title:** OCCUPATIONAL HEALTH & SAFETY TRAINER

**Job Location:** Southwestern Ontario; London Office

**Terms of Employment:** Full Time

Are you eager to revolutionize the health and safety industry by injecting your natural charisma into training sessions? Do you have strong communication skills and love teaching others? Do you have experience in construction, manufacturing, or related industries, complete with the boots and scars to prove it, we want to hear from you!

Our team of safety professionals is prepared to handle the country's most difficult safety challenges.

If you're a safety-motivated individual seeking a position at a quickly evolving and expanding company, please read on to learn more.

#### **What Will You Be Up To?**

- As our brand ambassador, you will represent the brand, ensuring quality and consistency in delivering our training programs.
- Engage clients creatively to cultivate and enhance their internal safety culture.
- Provide ongoing technical safety advice, guidance, and coaching.
- Collaborate with the Training Manager to update existing and develop new training programs and internal practices.

#### **What We're Looking For:**

- You are a seasoned operator with grassroots experience in equipment operation.
- CPO Certified; and full JHSC member is preferred.
- Ground-level experience in manufacturing and/or construction environments is highly valued.
- Your interpersonal intelligence, exceptional communication, and presentation skills make you stand out.
- Bilingual proficiency in French and English is an asset.
- Critical thinking, exposure to adult learning principles, and a love for technology are advantageous.
- A spotless driving record with a valid license is a must.

#### **What We Offer:**

- We recognize that it's our amazing team that propels our success. We foster a dynamic and respectful workplace where everyone's voice is heard and valued. When you work with us, you're not just an employee; you're part of a cohesive team.
- Embark on daily adventures akin to the "How It's Made" TV show, encountering different industries and training venues, ensuring a variety of experiences.
- We offer a comprehensive benefit package, including prescription drugs and dental coverage.

- Join our active social committee, where BBQs, celebrations, and team-building events are just a few of the highlights throughout the year.
- We provide a mandatory company shutdown between Christmas and New Year's Day, ensuring you get a well-deserved break.
- Look forward to professional development and continuous education.

**The Fine Print:**

- At IST, we are committed to diversity and equitable access to employment opportunities based on ability
- We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process
