

TRAIN THE TRAINER LOCK OUT / TAG OUT

Our Train the Trainer programs provide participants with the knowledge, skills, and tools to effectively train operators and evaluate their competence. Our programs are written to applicable industry standards and Ontario regulations.

LEGAL REQUIREMENTS

OHSA Section 25 (2) (a)(c)(d)(h)
Ontario Regulation 851 Section 42
Ontario Regulation 67 Section 66,67
Ontario Regulation 213 Section 190-193
CSA Z-460-05 Control of Hazardous Energy Lock-out and Other Methods

Train the Trainer Lock Out / Tag Out Prerequisite

Participants must hold a valid
Lock Out / Tag Out certificate.

COURSE LENGTH: 1 day

COURSE INCLUDES: Each participant will receive a training workbook with all required forms and templates, and an electronic copy of all forms and templates. Depending on the course, a training video may also be included.

LOCATION: Training sessions are available onsite at your facility, publically across Ontario, or our state of the art training facility. If your facility does not have access to a board room, IST has a mobile class room called the Safety Bus. Please contact our office for more detailed information about training formats and date availability.

PRICE: Maximum 4 Participants—\$1425.00 Flat Rate
Additional over 4 Participants—\$300.00 Per Person + Flat Rate *Plus HST

COURSE CONTENT

- An in-depth review of the training program to be delivered, including contents of workbooks, videos (if applicable), tests and operator evaluations
- Detailed instructions with regards to the questions that may be asked and how to answer them
- The principles of teaching adults, including: the use of equipment, teaching styles, learning and risk, how to measure the success of the course being taught.
